Commissioner

Honorable David C. Treen
Governor
State of Louisiana
Baton Rouge, Louisiana 70804

Dear Governor Treen:

I have the honor to submit herewith the Report of the Commissioner of Insurance giving the names of insurance companies authorized to do business in Louisiana with a statement of their financial condition and transactions in the State of Louisiana for the year ending December 31, 1981.

For the Calendar Year 1981, total license taxes and fees collected by this Department amounted to $72,157,021.00, an increase of $10,692,441.00, representing a 17.4% increase over the calendar year 1980. As of December 31, 1981, there were 1,351 companies licensed to do business in Louisiana. Of this number, 171 were domestic companies, and 1,180 were foreign companies.

Under the provisions of the Louisiana Insurance Code, this Department has the responsibility of examining all companies doing business in Louisiana. Also, all policies and endorsements issued by insurance companies doing business in Louisiana must be approved by this Department. Annually, thousands of complaints by policyholders are received and investigated.

During the year, approximately 81,678 agents, brokers, and solicitors licenses were issued and company appointments processed, 6,034 examinations were given throughout the State, and 172 surplus line brokers were licensed. The conservation of assets and the protection of policyholders and claimants of all companies placed in receivership not covered by the Guaranty Association is a continuing function of this Department. In addition, this Department has the responsibility of regulating all sales of stock of an insurance company, or in an investment company or holding company with a stated purpose, by charter of prospectus, of forming an insurance company.

For the protection of Louisiana policyholders, domestic companies deposited with the Commissioner of Insurance safekeeping receipts from banks doing business within the state an aggregate of $55,952,800.00 and foreign companies deposited safekeeping receipts totaling $54,851,090.81.

Respectfully submitted,

SHERMAN A. BERNARD
COMMISSIONER OF INSURANCE

Honorable David C. Treen
Governor
State of Louisiana
Baton Rouge, Louisiana 70804

Dear Governor Treen:

I have the honor to submit herewith the Report of the Commissioner of Insurance giving the names of insurance companies authorized to do business in Louisiana with a statement of their financial condition and transactions in the State of Louisiana for the year ending December 31, 1982.

For the Calendar Year 1982, total license taxes and fees collected by this Department amounted to $79,975,021.00, an increase of $7,818,000.00, representing a 10.8% increase over the calendar year 1981. As of December 31, 1982, there were 1,435 companies licensed to do business in Louisiana. Of this number, 174 were domestic companies, and 1,261 were foreign companies.

Under the provisions of the Louisiana Insurance Code, this Department has the responsibility of examining all companies doing business in Louisiana. Also, all policies and endorsements issued by insurance companies doing business in Louisiana must be approved by this Department. Annually, thousands of complaints by policyholders are received and investigated.

During the year, approximately 110,220 agents, brokers, and solicitors licenses were issued and company appointments processed, 8,529 examinations were given throughout the State, and 187 surplus line brokers were licensed. The conservation of assets and the protection of policyholders and claimants of all companies placed in receivership not covered by the Guaranty Association is a continuing function of this Department. In addition, this Department has the responsibility of regulating all sales of stock of an insurance company, or in an investment company or holding company with a stated purpose, by charter of prospectus, of forming an insurance company.

For the protection of Louisiana policyholders, domestic companies deposited with the Commissioner of Insurance safekeeping receipts from banks doing business within the State an aggregate of $55,471,986.69 and foreign companies deposited safekeeping receipts totaling $61,008,579.79.

Respectfully submitted,

SHREMAN A. BERNARD,
COMMISSIONER OF INSURANCE

SAB/tm
